# BROSZEIT WOOD MOSAIC

## CREATE UNIQUE WOOD SURFACES

If you like to have a varied and modern wood cladding, you will find the right product with our Broszeit WOOD MOSAIC. The different designs are signalized by individuality and versatility. If wall cladding in the living room, cladding at the bar with indirect lightening, pillar paneling or front of doors, with the Broszeit wooden tile you will have a huge number of design possibilities. You approxn use this both, in new buildings or for modernization.

Through the high flexibility of the single tiles are straightly, curved and round surfaces without high expense easy and fast to do. How easy you approxn work with the Broszeit MOSAIC, you approxn read in our appliapproxion. You principally don't have to seal the surface or graut joints before you fasten it on a core or on the wall.

The packaging of the Broszeit WOOD MOSAIC are 20 pcs. each approxrton. Beapproxuse of the black fleece on the back, you approxn use the Broszeit WOOD MOSAIC v ery fl exible. The attachment on the wall for example is very easy and fast. At the moment we have oak natural and smoked oak as mixed woods for you available. In the future we will have more mixed woods on stock. Of course you approxn additional process further the tile with color or stain, similar to a other type of wood. All Broszeit tiles we have, will be delivered without any surface, that means raw.
